

My dear Children, Grandchildren, and
Great Grandchildren.

The wonderful goodness of God to me, to
my numerous children and to their many descendants
has been and is the frequent subject of my thoughts and
I have now requested some of them to be written down
that I may send them to you. Truly the Lord's mercies
have been very great, in preserving my life to a good old
age, and in preserving you to me, as a united and
affectionate family. It is therefore my desire humbly to
make some thank offering to Almighty God, our Heavenly
Father, through his Blessed Son, our Lord and Saviour,
Jesus Christ, and it will be a great delight to me if you
all will join me in doing so, and will let me have the
pleasure of seeing all your names added to my own
on this paper. As my best comforts in this
world are drawn from the Holy Book of God, and my
hopes for the future life are placed only on the Saviour
there revealed, I wish to present our united offering
in the form of a donation to that great and good
Institution, which seeks to put the blessed word of
God into the hands of every parent and child, through
the whole world, The British and Foreign Bible
Society. This is the Jubilee or Fiftieth year of that Society,
and as I am spared to see it in the eighty eighth year
of my happy life, and you are permitted to rejoice as my
children in having me still among you, the present
seems a fitting time for us with one heart and in one
act to testify our gratitude to God. Praying for
the blessing of God the Holy Spirit to rest upon the

plan, and evermore to rest upon you.

I remain, My dear Children

Your ever affectionate Mother,

Olij. Stothert.
